FOR THE ALUMNI OF SAINT JOSEPH'S COLLEGE

Vol. 24 - No. 7

Collegeville, Indiana

MAY - JUNE, 1962

## Alumni Board of Directors Meet; Discuss Campaign

The Board of Directors of Saint Joseph's Alumni Association met on April 28 at 10 a.m. in the College Conference Room. Present for the first meeting of 1962 were Mr. Joseph McGrath, President; Mr. Robert Conley, Jr., Director; Mr. Gerry LaFontain, Director; Mr. Joseph Albers, Director; Mr. John Reichert, Secretary; and Mr. Joseph Staples, guest.

The meeting was opened with the reading and approval of the minutes of the October, 1961, meeting.

## Alumnus Dies in Iowa Plane Crash

Maurice E. Hamilton, '51, of Cleveland, Ohio, was among the forty-five who lost their lives recently in an Iowa plane crash.

While at St. Joe, Maurice and his wife, Rosemary, had lived at the home of Mrs. Ben Jones of Rensselaer. After graduation he went to work as a chemist for the Switzer Paint Company of Cleveland.

## St. Joe to Host Summer Camp

Saint Joseph's will host a Summer Band Camp this summer for one week beginning August 13. It was one of the two schools chosen by the National Catholic Bandmasters' Association as a campsite, the other being St. Joseph's on the Rio Grande in Albuquerque.

Bernard E. Qubeck, assistant professor of music at St. Joseph's and president of the National Catholic Bandmasters' Association, stated that the ultimate objective of the Summer Band Camp is the promotion of a higher standard of musicianship among those Catholic bandmen in attendance, by the integration of all the processes of Christian living and education through the correlation of music, prayer and recreation in a healthful camp atmosphere, providing for both spiritual as well as the musical and recreational needs of the camper. "We feel that this overall approach, considering the whole life of the camper, makes us a unique organization among music camps."

The NCBA summer camp is open to all school members from seventh grade through senior year of high school who are judged by their band directors as being worthy camp members. Both Catholic and non-Catholic students are invited to attend.

Mr. Joe Albers, representing the Cincinnati area, presented to the Board a plan for an annual observance for all alumni to be held on the campus beginning with the summer of 1963. Mr. Albers indicated that he felt that the alumni, as a group, had been somewhat slighted in regard to previous Homecoming activities. He, personally, feels that Homecoming is geared toward the students presently on campus and is not a weekend solely for the benefit of the alumni. He therefore proposed a two-day affair during which the housing facilities on campus could be made available for alumni and their families. The resolution was taken under consideration by the Board but no definite action was taken. Mr. Albers indicated that he would formulate the idea more specifically and present a report at the next meeting of the Board of Directors.

Mr. McGrath inquired as to the possibility of implementing the proposed plan to change the format of Contact to that of a booklet. The Alumni Director indicated that if the change could be made without further financial strain it would probably be done in the summer months of 1962. The present printer is equipped to make the change.

Mr. McGrath asked the Alumni Director, Mr. Richert, the current status of the new constitution. It was indicated in response that the constitution had been approved by the President's Council and was ready for mailing to the members at the discretion of the Board of Directors. It was resolved that the implementing of this constitution should be effected in the summer months.

Mr. McGrath then reported to the Board about the formation of the committees for the Capital Gifts Campaign in the Chicago area. He pointed out that he was pleased with the response and that the Chicago area phase of the campaign appears to be moving forward at a good pace.

## Graduates Hear Gov. Welsh In Commencement Exercises

The morning Baccalaureate Mass was celebrated by Father Gross and marked the beginning of the June graduation exercises during which 125 degrees were awarded.

## Gen. Eisenhower To Visit Campus

General Dwight D. Eisenhower will visit the St. Joseph's College campus on September 13 during a "Charlie Halleck Day" celebration and, providing construction of the new Student Union has progressed sufficiently during the summer months, will take part in dedication exercises for the Hallack Student Center.

Alvin C. Cast, Second District Republican Chairman, indicated that the program was still in the planning stages but that the affair would be an evening rally with a speech by General Eisenhower following a chicken barbeque. Weather permitting, the celebration will be held outdoors. Otherwise the program will be held in St. Joseph's Alumni Fieldhouse.

## Students Elect Labbe SC Pres

Colorful campaigning complete with flying banners, car parades and room visits marked this year's campus Student Council elections. It was, perhaps, one of the most colorful elections in several years.

But after the smoke of some heated discussions had cleared and the ballots were counted, Emil Labbe had ranked well ahead of the other candidates and was elected to take over Denny Mudd's presidential office.

Mitch Kaminski was chosen to succeed Paul Andorfer in the vice-presidential post.

Selected to replace treasurer John Lulewicz was Len Bara and John Cates took over the secretary's office succeeding Ray Trapp.

Other elected members of the Council are Ken Marcotte, interclub chairman; Bill Downard, senior president; Pat Murphy, junior president; and Dave Eckerle, sophomore president.

Saint Joseph's Sixty-Seventh Annual Commencement Exercises were held this year on Sunday, June 4. The conferring of the degrees marked the entrance of 125 graduates into the alumni ranks. The morning program included the Academic Procession from the Administration Building to the Chapel and the Baccalaureate Mass celebrated by the Very Reverend Raphael H. Gross, C.P.P.S., President of the College.

The Most Reverend John J. Carberry, Bishop of Lafayette, presided over the afternoon program in Alumni Fieldhouse.

After the introductory talk by Father Gross, the Reverend Edward A. Maziarz, C.P.P.S., Academic Dean of the College, presented the degree candidates.

The Valedictory was delivered by Kenneth J. Ahler and the Honorable Matthew E. Welsh, Governor of the State of Indiana presented the Commencement Address.

## Fr. Dirksen's Book Sees Second Revision

Holt Rinehart and Winston, Inc. have just published a second revised edition of *A Life of Christ* by Father Aloys Dirksen, C.P.P.S. The first edition was published by the Dryden Press in 1952. The book has gone through four printings and been recorded on disks by the New Jersey Commission for the Blind. It has been used at Notre Dame, Seton Hall, Loyola and many other colleges.

Fr. Dirksen is also the author of *Elementary Patrology*, a textbook on early Christian Literature that is used in a number of seminaries. It was published by B. Herder Book Co. in 1959. Fr. Dirksen's first book was his doctoral dissertation, *The New Testament Concept of Metanoia*, a detailed study of the biblical word for Repentance and the cognates of this word in the languages of the Bible.

Besides these original works, Father Dirksen has contributed to the Confraternity Edition of the New Testament, to the Commentary on the New Testament and the Holy Family Bible.

Fr. Dirksen has contributed to such scientific journals as *The Classical Bulletin*, the *Catholic Biblical Quarterly*, the *American Ecclesiastical Review*, the *Homiletic and Pastoral Review* as well as to popular magazines such as *Columbia*, *The Messenger of the Precious Blood*, *The Missionary*, etc.

Later a reception was held in Raleigh Hall for the graduates, parents and friends.

Three honorary degrees were presented by the college during the Commencement Exercises. They were awarded to the Honorable Matthew E. Welsh, Moses Leopold and Raymond George Ziegman.

Baccalaureate Degrees were awarded: Michael Adzima, Philosophy; Kenneth Ahler, Biology; Patrick Bartholomy, English; James Batistick, Management; Robert Becofske, Management; Frank Bellucci, History; Raymond Billy, Biology; Thomas Blake, Management; Joseph Botton, English-Journalism; Thomas Budnick, Management; Eugene Calgaro, Political Science; John Carlin, English; Stephen Chovanec, Jr., Biology; Michael Clark, Mathematics; Botond Raphael von Clementis-Zahony, Political Science; Kevin Cogan, Management; James Crowley, Accounting; Weldon Davis, Education; Glenn Dobecki, Biology-Chemistry; Peter Dones, Management; Robert Dougherty, Management; Thomas Drennan, Management; Harold Egan, Geology; Michael Elliott, Chemistry; Elbert Eschman, Physical Education; David Etzwiler, Mathematics; Reginald Evans, Marketing; Sabra Sue Evans, Education; Frederick Eyerman, Economics; Michael Fitzgerald, Education; John Fitzpatrick, Accounting; Byron Francoeur, Accounting; Ralph Freibert, Management; Gerald Gamba, Biology; Patrick Goerdert, Political Science; Robert Gulvas, Finance; Kenneth Guzik, Management.

“What Are Your Alumni Doing?”

Not long ago a college president, who had a very good case for the support of a much-needed building project, kept a lunch date with the executive of a big charitable foundation. During lunch the president, encouraged by some keen leading questions, described the need for the project in precise, if somewhat glowing terms, and suggested, with his usual tact, that the college would like to apply to the foundation for a grant to help complete the building.

The foundation executive, to whom such appeals are all part of the day's work, waited until coffee came, and then fired the inevitable loaded question: "How much help," he asked, "are you getting from your own people? Specifically, what are your alumni doing to help you, not so much in terms of dollars, but in terms of participation?"

There was a long pause.

"Well," said the president, "I haven't checked the figures lately, but last year our alumni contributed about \$20,000 to the annual fund. I would guess perhaps twenty per cent of them participated."

"Not enough," said the executive, "from our viewpoint. I think you'll find that corporations and foundations, in general, support colleges that make a real effort to support themselves. Why don't you see if you can get alumni backing for this project, and then come back to us again?"

So that's the story. And it has a moral for Saint Joseph's College.

Saint Joseph's College has a good case for its Diamond Jubilee Fund and the building program. It has received impressive support from the newly-organized group of Fellows of the College — over \$125,000 since its inception four months ago. The College continues to seek additional help from foundations and corporations. But it needs the support of as many of the Saint Joe alumni body as possible.

Many alumni have already contributed to the Diamond Jubilee, which is to extend over a three-year period; some have become Fellows of the College. Most alumni will not be able to become Fellows, of course, but **MANY MORE CAN GIVE ACCORDING TO THEIR MEANS.**

It isn't necessarily the **SIZE** of an alumni gift that counts. **IT'S THE FACT THAT A GIFT WAS MADE.** For it is the number of gifts — the percentage, if you will, that influences the thinking of foundations and corporations, rather than any specific amount of money.

**YOU, AS ALUMNI, CAN RAISE THIS PERCENTAGE!** Every alumni gift or pledge that comes in helps to strengthen the College's hand as it seeks funds from other sources. Every gift is recorded, not by amount but by name, and will be published in **CONTACT** at the end of the year. Don't let them leave you out.

We urge you, therefore, to fill out the card which was sent you, and to send it in as soon as possible, either with your check, your plan of giving, or both. Remember, there was a time you needed Saint Joe. **NOW SAINT JOE NEEDS YOU!**

VOL. 24 — NO. 7 RENSSELAER, INDIANA MAY-JUNE, 1962

We Hear . . . .  
From

Dear Alumni Director:

Presently, I am employed by the Chrysler Corporation's Missile Division as Deputy Personnel Manager. We have had quite a valued record of success with our Redstone and Jupiter Missiles. You might recall that it was Chrysler-built Redstone which put Commander Allan Shephard into sub-orbital flight just about one year ago. Uncle Sam has recognized this capability and awarded Chrysler the contract to produce the first stage of the new Saturn space vehicle.

In the evenings, I am attending the Detroit College of Law in pursuit of an L.L.B. degree. Last fall, I was a faculty chosen representative to the National Inter-Collegiate Moot Court Competition where my partner and I were fortunate enough to be semi-finalists. I expect to get my degree in June, 1963.

May I extend my best wishes for a very successful Diamond Anniversary Campaign and I assure you that I shall do my share.

Sincerely,  
Harold E. VandenBossche, X'56

Frequently the question has been put, "How much should be pledged?" Certainly every Alumnus must decide this in the light of his obligation. However, because this is the Diamond Jubilee Celebration of the College and a milestone in the growth of a flourishing St. Joseph's, we are urging everyone to consider \$75.00 pledged over a three year period as a guide in giving and an indication of our needs.

## Two Tie for Campus Club of Year Award

Stuff (campus newspaper) presented the annual achievement award and its cash prize of \$50 to two campus clubs this year. It was divided between the Monogram club and Digamma Kappa Lambda Society.

Each receiving six ballot points, DKL and the Monogram club were seconded by the Glee club with four points, followed by the Accounting club with two points.

### MEETING (CONT)

Mr. Robert Conley, Board Member from the Five County Area, inquired as to when the campaign would begin in the Rensselaer area. The Alumni Director indicated that this phase would begin in late Summer or late Fall.

Mr. Joe Albers reported that the interest in the Cincinnati area for the forthcoming campaign was excellent.

The Board then heard Mr. Joe Staples, Campaign Consultant, report on the progress of the campaign on the national level. He reviewed for the Board the organizational meetings that had been held in the various chapters throughout the country. He went on to say that committees had been already formed in all areas with the exception of Fort Wayne and South Bend-Elkhart. He discussed and explained to the Board the brochure to be used in the campaign together with the worker's manual. He stated that he brochure together with the worker's manuals had been mailed on April 27 to those areas where it would be impossible to personally deliver the material. Work by the committee members in contacting alumni was to be given immediately upon reception of the materials.

Mr. Staples also explained that the first report on the success of the campaign was due from the area chairman May 5; a second report was due June 11; and a third report would be due July 16.

The meeting was then adjourned to Father Gross's office where Father Gross explained in further detail the Fellow's Program as a vital part of the campaign. He outlined for the Board the theory behind the program together with the "invitation type" solicitation procedure. He reviewed for the Board those fellows already procured and asked the Board of Directors to individually and personally solicit for fellows in their respective areas.

Mr. Albers mentioned that he had recently procured a fellow in the Cincinnati area with a donation of approximately \$3,000.00.

Mr. Conley inquired as to whether or not a testamentary phase of the campaign type of approach would be forthcoming in late summer. Father Gross finally pointed

Two anonymous faculty members each nominated three of the reporting clubs. Then Student Council President Dennis Mudd, Inter-club Chairman Bob Urig, and Stuff editor John Babione voted on the basis of these nominations, each selecting the top three clubs on campus. Three points were awarded for first place votes, two for second, and one for third.

The award was based on the activities of the club during the last year that contributed to the welfare of its members, and its own general improvement.

The Monogram club has strived to build school spirit, broaden the interest of its own members, improve the public relations of the school, and build the character of athletes to create a more favorable impression of them among the student body.

To attain these goals, the club has provided ushers for various campus events, including Sunday and holiday masses. Three well-organized initiations for new members were staged during the year. Members of the club also put on skits at two football pep rallies.

The club sponsored its annual Orphan's Day on December 10, conducting games in the fieldhouse, showing movies and providing lunch and supper as well as gifts for 60 boys from Hoosier Boys' Town. Members also visited the Carmeline Home in Hammond and gave a Christmas party there, giving individual gifts to each child.

Digamma Kappa Lambda, the biology-chemistry club, aimed for the academic improvement of its members and sponsored several activities of interest to the student body. The car crunch and meetings at which guest speakers appeared were open to the students.

The club donated 16 pints of blood to the Little Company of Mary Hospital, maintained the window displays in the auditorium lobby, and re-activated its own tutoring service.

out the necessity of cooperation among members of the Alumni Board, members of the Lay Trustees and previously procured fellows in the present campaign.

The meeting was adjourned and the Board members retired to match the St. Joe-Valparaiso baseball game.

Participating in the Commencement Day Exercises were (l. to r.) Bishop John J. Carberry (Lafayette), Hon. Matthew Welsh, Father Edward Maziarz, Father Raphael Gross and Father Charles Robbins.

Puma Baseball Team
Records 15-12 Season

The Pumas throw a Bulldog out in the early innings of the Butler doubleheader.

The 1962 Puma Baseball team completed their 1962 season recording 15 wins and 12 losses overall and three wins and nine losses in the conference. With only five lettermen, Coach Don Merke directed the relatively green squad toward one of the better seasons in the last few years. The Puma team started the season with high spirits as they upset Cincinnati in a doubleheader but were then left in the dust by the DePauw Tigers who handed them a 16-1 loss in their third start. Outside the conference the Pumas did exceptionally well with 11 wins and only four losses.

Conference wins included a 4-3 victory over Evansville, an 8-3 victory over Valparaiso and a 2-0 victory over Butler.

Sophomore George Post and senior Jim Crowley (captain) led the Puma offensive attack for the season, batting .398 and .295 respectively.

Juniors Art Voellinger and John Drennan led in defensive columns with perfect fielding records. The overall fielding of the team itself was quite impressive as only 4 out of the 23 man roster were below the .900 mark.

Junior pitchers Jim Hunt, Tony Pacenti and Art Voellinger chalked up respectable earned run averages for the season, recording a 2.27, a 2.54 and a 2.84 respectively.

Next year things should look quite bright for the Pumas as they only lost four senior members from this year's squad leaving eight juniors and 11 sophomores. Graduating seniors included captain Jim Crowley, El Eschman, John O'Connor and Bob Lareau.

Season results were as follows:

- St. Joe 4, Cincinnati 3

Tennis Team
Finishes 1-10

The Saint Joseph tennis team, under the direction of student coach John Sorg this year, faced some stiff competition and ended a long season with a 1-10 record.

Losing several matches by only one point, the relatively green squad did reasonably well but lacked in experience and so were given only one win for the season.

The team this year included juniors Tony Vasek, Tim Nash and Tom Miller and sophomores Bill Currie, Dan Sorg and John Luxem.

- Season's results:

Saint Joseph's held a 61-pin lead over Gannon after the first three rounds (nine games), but in the first game of the final round Gannon rolled a phenomenal 1017 team game to move ahead of the Pumas who rolled an 828.

Although the St. Joe team followed with game scores of 851 and 911, they were unable to regain the lead.

In seasonal competition the keglers finished first in the Midwest Intercollegiate Bowling Conference over Notre Dame, DePaul, Loyola, ITT and Valparaiso in that order.

The bowlers managed only a third place in the MIBC tourney at the end of the season. In a close tournament the Pumas had a total pin fall of 2740 right behind second place Notre Dame with 2752 and first place DePaul with 2768.

At the MIBC banquet which followed the tournament the Pumas walked off with 15 trophies. As this year's leader in conference standings, the bowling team received the three-foot-high traveling trophy which changes hands and is awarded to the leading team each year. Each player on the team received an individual trophy also since the team was the conference leader.

In the category of highest averages in conference matches, four Pumas received trophies: Pat DelCotto was second; captain Wally Nedza (the only graduating member of the squad) was third; Steve Jupinka was fourth; Harry Hansen was eighth. Pat DelCotto also won a trophy for third highest game during the regular season.

Steve Jupinka was awarded another trophy for having pulled down the highest series in conference play while Wally Nedza received a second in the same category. Pat DelCotto and Wally Nedza also received trophies in the category of highest series in tournament play claiming second and third places respectively.

On the list of summer improvements being made on campus is included a renovation of the boilers in the power house.
